BASELINE CHANGE PROPOSAL # 98-1986 - JLB-019-98

In accordance with RFFO's letter, AMEC:ERWM:RWT:03790 (Attachment # 1), we are submitting Baseline Change Proposal (BCP) # 98-1986 to delete the Milestone CPM-013 from the Fiscal Year 1998 Closure Projects Baseline. The Milestone required regrading and reseeding of Trench One (1) by September 30, 1998 (Attachment # 2). The Milestone has been deleted because of potential disposal of Investigative Derived material (IDM) in the Trench.

If you have any comments regarding this correspondence, please contact me at X5245.
